D
Host (order)
Virus
Bacteria
Eukaryota
Avian associated hepato-like virus sp. L77
Avian associated hepato-like virus sp. L131
Avian associated calicivirus sp. 3
Avian associated hepato-like virus sp. L148
Avian associated picorna-like virus sp. L21
Avian associated hepato-like virus sp. L160
Avian associated picorna-like virus sp. L24
Avian associated hepato-like virus sp. L157
Avian associated picorna-like virus sp. L10
Avian associated paslahepevirus sp. 1
Avian associated picorna-like virus sp. L7
Avian associated hepato-like virus sp. L130
Avian associated hepato-like virus sp. L158
Deltacoronavirus sp. Avi1
Avian associated hepato-like virus sp. L150
Avian associated hepato-like virus sp. L28
Avian associated hepato-like virus sp. L1
Strigiformes
Avian associated hepato-like virus sp. L89
Avian associated hepato-like virus sp. L32
Avian associated hepato-like virus sp. L91
Avian associated hepato-like virus sp. L118
Aleuroglyphus ovatus
Strongyloides papillosus
Suliformes
Avian associated calicivirus sp. 2
Passerivirus GPS
Avian associated hepato-like virus sp. L22
Avian associated picorna-like virus sp. L15
Charadriiformes
Avian associated hepato-like virus sp. L149
Procellariiformes
Avian associated hepato-like virus sp. L27
Avian associated hepato-like virus sp. L18
Avian associated hepato-like virus sp. L58
Avian associated hepato-like virus sp. L164
Passeriformes
Sarcoptes scabiei
Hydatigera sp. Avi1
Riemerella anatipestifer
Avian associated hepato-like virus sp. L88
Pelecaniformes
Staphylococcus aureus
Avian associated hepato-like virus sp. L45
Mycoplasma anserisalpingitidis
Campylobacter jejuni
Avian associated picorna-like virus sp. L9
Clostridium botulinum
Gentoo penguin virus
Plasmodium sp. Avi2
Pink-eared duck megrivirus
Streptococcus suis
Psittaciformes
Alphainfluenzavirus influenzae
Canada goose coronavirus
Anseriformes
Trichomonas sp. Avi2
Sphenisciformes
Vibrio cholerae
Avian coronavirus
Duck hepatitis B virus
Galliformes
Avibacterium paragallinarum
Tritrichomonas sp. Avi1
Trichomonas sp. Avi3
Sicinivirus A
Gallivirus sp.
Megrivirus sp.
Chicken picornavirus 4
Trichomonas sp. Avi1
